the Systemb and Cuban forces took place a short time ago. neral Gomes, commander-in-chie of the insurgent forces, traded two ist liedtenshu for his old cook, the was In the hands of Colonel Galbia General Gomez made a d bargein when he secured a good cook in exchange for two paltry nte. Anybody can wear mlettes but a skilful cook is a arl above price.

to do is duty in Congress, to pay the public deal, to overcome deliciencies, to mise sufficient revenue. If there had been no deficieny there would ve been no loss of gold. The gold roughed in the Tressur during the long years of Republican rule. But as soon as there was a deficiency of revenue he gold b ganto o because the gold was used to pay current ex Tuis Administration caused a draht about gold lower. Banks secing the government using gold everybody is practically agreed as to adopted the same course. Instead of no maining their we ve in notes they waw gold from the reserve. I be deby to considering the tariff bil; in the Secret S & great lujury to the the by sness interes s of the country for waren tuese is no excuse. Atten tion should be turned to political remedies last are feasible.

Sensior Tillman, of South Carolina, was a little bit slow in bringing other hand, the eastern Democrats will his preciork into action, out he got it numbered last week, and for more than an bour be jabbed it into Mr. Claysland, the Rothschilds and other oldbage, and the Democratic party. as energetically as the average hired man would into a pile of hay while nes was in sight. He referred to Mr. Cleveland in such endearing idolatrous man who holds the reins of power, a traitor to and destroyer of the Democratic party," and said the Semiles "How many of you, men own people. A generation has come the arty and of the nation, men who and trusted leaders before Cleveland was beard of, how many, I say, have occu oxiled into his counsels i If aur. swak. I shall be glad to hear toem. Where has this man sunk his personality? Whom has be multed? Whose advice has he re cogused? None but that of the of patronage and betrayed their con- tional arbitration. The present disthe high office of President has never calls for both practical wisdom and on so prostituted, and never has ng power been so abused. ervice reform, he has debauched the civil service by making appointments only to those whose spensors would engrander their manhood, and, with bated breath, walk with salimi out !"this benetice

The new Republican governor of lew Juracy, John W. Grigge, said in ils recent inaugural address that dis-mission statute laws has become so luminoses that it may be said to be alment beyond the power of the legal kind to hequire it or of the judicial mind to interpret it. He urged the importance of restriction in the volme of legislation. In nearly every old State in the Union the same condition of effairs prevails, and while enorance of the law excuses nobody, everybody needs an excuse.

No candidate who may be nomi sted by the Democratic party stands the slightest chance of filling the executive chair of this government for the next four years, and only 'Olney of his but even Senator Stewart and Merrison are mentioned in conof Mevada ridiculed the whole pro- nection with a nomination. Morrimand called the discussion of son is supposed to be the western the bill a dress parade. The councandidate, while Olney is known as try needs legislation to raise revenue Mr. Cleveland's "legatee." It is and put money in the treasury in-chiefly against Mr. Cleveland's policy treasure of bills that cannot become in every shape, form and guise that the American people have rebelled Semior Voorhees, of Indiana, is at the ballot box during the last back on the side of silver. During three years, and any candidate for the extra session of congress in 1893, the Presidency who is suspected of Mr. Voorbees was President Cieve- agreeing heartily with the present land's obedient servant and was executive is doomed to an exemplary with receiving certain gov- and tremendous defeat. Clevelanderament patropage in return for his sem is inseparably associated in the services. Perhaps Dan has been public mind with industrial calamity, mercantile bankruptcy, an increased public debt, Treasury deficite, the persecution of Union persioners and all-round failure and humbug, and the voters of the United States ask but one opportunity to show what they think of it. There will be no "legatee" business about the next President of the United States. His nomination will represent Republican principles and politics exclusively. and he will not shine in borrowed luster, especially luster which is so dimmed as to be no longer visible . to the naked eye. He will be a Republican in all that the name implies, and The Republican jurty stands ready, at the same time will be the President of the whole people.

> The St.Louis Post-Disputch save: When Senator Vest was here last, just before Christmas, he told a friend that he would like very much to go to the national convention as a delegate. This, of course, means that the Senator will be elected one of the four delegates at large without opposition, and it almost necessarily follows that it he is thus honored, Senator Cockreli will be similarly treated, and sluce who the other two shall be, it seems pretty well settled, as stated the other day by the Post-Dispatch, that Missouri's Big Four in the Democractic National Convention will be Vest, Cockrell, Stone and Bland." If those four gentlemen get into the Chicago Convention that Convention will be full of fun and the kepublicans will enjoy the amusement freely provided for them by the "Big Four" Ou the have an awfultime when Vest and tone unfurl the banner of free silver. About then "goldbugs" had better crawlinto their chinks.

Chauncey M. Depew delivered the address of the occasion at the recent meeting of the New York State Bar Association at Albany. His subject was: "Patriousm and Jingoism; the terms as "the bull-headed and self- lawver's Daty." Referring to the Morroe doctrine, Mr. Depew said: "The events of the past few weeks have demonstrated how easy it is to peeringle to the Democratic side of arouse the fighting blood among our sold and gray in the service of upon the stage since the civil war who are eager for battle. The greatest ministers and leaders for peace whom I ever met were the Genera's whose fame olls the world, and whose victorles were in our civil strife-tirant and Sherman and Sheridan. During they were the apostles and preachers of peace. Now is the time for the legal profession to perform a great hoke and sycophunts who have work upon the lines of the lawyers of awled on their knees for the crumus the centuries in promoting internatuents for the offices in his gift. pute between the English-speaking qr. section 28, township 24 n., range In the entire history of this country races which is agitating the world legal soumes for its solution." England and the United States, will not ing to be the sportle of civil go to war about the Venezuelan boundary in order to give Mr. Cleveland a third term. The Monroe dectrine will be maintained as in the past, but this government will never establish a protectorate over all South America.

The unsettled condition of the weather still arouses much comment, and a few un-Hunday school like ex-

ive dipers ection of Taney is close to the bead of the line. It's no use to say that sple trees will not grow in this country—that has been over ruled long ago, but as the Kirbyville man says, they require the same attention as any other product of the farm. Mr. Jesse Kinyon has a very promising young orchard, that yielded seventyive bushels of royal old Ben Davis's ast year, and a long array of peach rees also deserve honorable mention with a casual glimpse at the fluest vineyard in the country—and every kind of a small fruit mentiouable This is only an example of the progress of northeastern Tancy and a lovely little object lesson of what per-severance and patience can do.

Mrs Snell is quite indisposed but Dr. Johnson, of Forsyth, is rapidly bringing her back to good health.

O. Wells, a resident of this neigh-borhood, but who runs a blacksmith shop at Bradlevville, came home a short time ago with an injured foot, the ankle severely wrenched and perhaps some bones broken but the attending physician was unable to uscertain from its badly swollen con-

ing boom. Renzo Acton has erected a cusy and comfortable residence on bis farm; George Gimlin on his farm is putting up a very creditable appearing house, Mr. Snell intends building in the spring on his farm known as the Buntin place, and dimly visible through the trees are new houses on every hill, and smoke from new chimneys in all the valleys.

Springfield in a few days after spending the winter on the farm. Several families from Dakota have moved in, a Mr. Borah who has spent a few weeks in the Buil creek country, having purchased the farm owned by Bob Reynolds moved to it last
